WE OFFER YOU THE **BEST FLEETS** OPPORTUNITY

In addition to providing vehicles for sales reps to travel to clients, many businesses buy or lease fleets of vehicles to transport goods to customers. Employees may also own fleet vehicles privately in various jurisdictions and nations.

These automobiles, referred to as the “grey fleet,” are employed for business purposes. A fleet manager or transport manager can use fleet management software to handle fleet vehicles. Using a Fleet Management System, or FMS, vehicles can be linked to a fleet telematics system.

Our Fleets are provided all over India. If you want to book the fleets, then there is a contact us page inside our PTL Tourism Transport, where you will get the company's Support Number. Basically, we have 4 types of Fleets available which are as follows:

Buses

We have number of buses available in which both luxury and non-luxury buses are available.

Tempo Traveller

Tempo Travels are also available in PTL Tourism Transport which are mostly used for family trips.

Low Floor Buses

A low-floor bus is a bus or trolleybus that has a low floor for all or a portion of the passenger cabin and no steps between the ground and the floor of the bus at one or more entrances.

Mini Buses

Along with buses, we also have mini buses available which are mostly used for family trips.

Cars

We have such cars available which you can book for your daily basis and for your entertainment and other purpose.
